	Rating	The BEST	Excellent	Good-Very Good	Good-Very Good	Good
	💡 Best Fit For	For patients who demand the ultimate in appearance, comfort, and unmatched long-term value, prioritizing maximum bone preservation and a meticulously staged approach for the most natural and durable outcome.	Ideal for patients who want the highest level of appearance, comfort, and long-term value, with a focus on bone preservation and staged treatment for lasting results.	Ideal for patients who value strength, esthetics, and quick treatment—even if it means removing healthy bone to create space for the bridge.	Ideal for patients who value strength, esthetics, and quick treatment—even if it means removing healthy bone to create space for the bridge.	Budget-conscious patients who prefer fixed teeth quickly, understanding this requires removing some healthy bone.
💰	All-Inclusive Price Range:	From \$35,000 (7)	From \$25,000 (7)	From \$19,500 (7)	From \$17,500 (7)	From \$15,900 (7)
